Dear Homeowner,

Hopefully, this email finds you and family well.

In anticipation of the summer, we would like to let you know of a few changes in Shul that will hopefully help in streamlining the davening and add to the decorum of the Shul.

For the summer months only, we have decided to refrain from the weekly selling of the Aliyos. In addition, there will be no Mi Shebeirachs made for family members or friends except the one for the person who is oleh. Aliyos, Kibudim and Mi Shebeirachs during Yomim Toivim and Yomim Nora'im will be sold, as always.

The Gabbaim will do their best to distribute the Aliyos fairly. Yahrtzeits for parents will off course will be honored. Please let us know before the summer starts which Parsha your Yahrtzeit falls on.

To cover various expenses (maintenance, utilities, Kiddush), we respectfully ask you, whether davening in the Ashkenaz Shul, Sfard Shul or any other Minyan in Woodlake, to contribute \$100 before the summer season starts.

Checks can be made payable to Congregation Anshei Woodlake and mailed to:

Thank You.

The Shul Committee (Sandy Berger, Tommy Herman, Yossie Segel, Tommy Rosenthal) wishes you a most enjoyable summer.
